

# Na'ra, Veil Watcher · Sand Kingdoms · Eldfall Chronicles

| Size   | STA | SPD | OFF | DEF | ACC | INT | AG | T  | ARM | HP | M  |
|--------|-----|-----|-----|-----|-----|-----|----|----|-----|----|----|
| Medium | 2   | 7   | 15  | 12  | 8   | 13  | 13 | 12 | 0   | 2  | 14 |

## Classes

**Artificer.** During their Strategic phase, Artificers may select an Enchantment Spell available to them and apply its Effect to themselves, without performing a roll, until their next Strategic phase.

## Traits

**Acute Senses.** A model with this trait may perform the Perceive and Uncover Actions with its AG instead of INT. The model's Awareness is increased by 3 inches. When performing a Dodge without LoS, its AG is not halved.

**Affinity (Profane).** A model with this Trait can cast (Profane) Spells. (For example: Profane = fire, water, profane, etc.)

**Survival (Scorching, Dark Environment).** This model is not affected by the Scorching, Dark Environment.

## Skills

**Stealth.** When this model activates it does not provoke a Reaction from enemy models that do not have LoS to it, regardless of whether this model is within an enemy model's Awareness or not.

**Hit and Retreat.** During its Movement step, this model may cancel the **Engaged** state without any roll required. If it declares an Attack in its Activation, it may perform Walk during the end of Resolution step.

**Leap.** This model can perform the Jump Special Movement as if it were a Normal Movement. While performing Jump, its SPD is not halved.

**Dash.** When this model performs a Run Special Movement, it may declare an unmodified Strike 1 Melee Attack in its Action Step.

**Climbing.** This model can perform the Climb Special Movement as if it were a Normal Movement, ignoring "A model cannot perform any other Action while on a vertical surface". While performing Climb, its SPD is not halved.

## Spellcrafts — Necromancy (Level III)

| Spell                     | Lvl | Element | Type                                  | PW | RCH          | STK | Effect                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------------------------|-----|---------|---------------------------------------|----|--------------|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Command the Undead</b> | I   | Profane | Spell, Sorcery / Ranged               | —  | Casting Aura | x   | Continuous. This Spell cannot be negated by Elemental Essence and does not cause Confrontation. To succeed, the caster must perform a number of INT rolls equal to the target's Tier. The caster may spend any amount of Mana, with each one guaranteeing a successful INT roll. Spending at least 1 Mana allows control of a Level II Undead. If successful, the target's Attack rolls are negated, and a target with Undead I becomes allied to the caster. The converted Hostile retains its remaining AP. |
| <b>Curse of Decay</b>     | I   | Profane | Spell, Enchantment / Ranged           | —  | 16           | 1   | Continuous. The target becomes Poisoned State.                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Spectral Sight</b>     | I   | Profane | Spell, Enchantment / Melee And Ranged | —  | 16           | 1   | The enchanted model gains Advantage Undead.                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Necrotic Wound</b>     | II  | Profane | Spell, Enchantment / Ranged           | *  | 16           | 1   | Target gains Cleave and Poison II                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Soul Leech</b>         | II  | Profane | Spell, Enchantment / Melee And Ranged | *  | 16           | 1   | The caster gains 1 Mana Counter whenever the enchanted model successfully deals a Wound.                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>A Second Chance</b>    | III | Profane | Spell, Healing / Ranged               | —  | 16           | 2   | The target model regains 1 HP. If the target model was Incapacitated, it also regains 1 AP.                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Life Leech</b>         | III | Profane | Spell, Enchantment / Melee And Ranged | *  | 10           | 1   | The enchanted model gains 1 HP for each Wound dealt to an enemy model without the Undead or Construct Trait (up to double its default HP).                                                                                                                                                                                                                                                                                                                                                                    |

## Inventory

Inventory space: 2

| Item                 | Qty | Cat.   | PW | RCH | STK | WGT | Effect                                          |
|----------------------|-----|--------|----|-----|-----|-----|-------------------------------------------------|
| <b>Chimera Claws</b> | 1   | Weapon | T  | 0   | STA | —   | Gain +1 STK when attacking a target without AP. |

## Stratagems

**Adrenaline Rush** (Authority) — Target self. In the Active Role, gain 1 additional AP but become **Fatigued** until your next Strategic Phase.

**Ironhide** (Authority) — Target self. Gain +3 ARM

**Reinforced Claws** (Authority) — Target self. Gain **Bleed**. Melee Attacks gain +2 PW.

## Glossary

**Advantage Undead.** This model gains +2 to Attack and Defence modifiers against Undead models.

**Cleave.** On a successful hit, the attack also hits all models in base contact with the target.

**Construct.** This model cannot be affected by the following Traits: Surprise Attack, Stagger, Vampirism, Mindgame and Burn. It cannot be affected by the Charm Skill or Toxic Environment. It cannot enter Panicked, Bleeding, Poisoned, Weakened and Confused States. Spells or Abilities that allow the attacker to regain HP when it deals a Wound to a model cannot affect this model. It cannot regain HP from Spells or Skills without the Earth Element. If the model's HP reaches 0, it is removed from the field.

**Elemental Essence.** This model counts as the specified element for the purpose of Spells and Traits that target models of a certain element.

**Poison II.** State. At the start of this model's activation, it loses 2 HP unless it passes a STA roll.

**Poisoned.** State. At the start of this model's activation, it loses 1 HP unless it passes a STA roll.

**Undead.** This model cannot be affected by Poisoned, Weakened, Bleeding, or Panicked States. Spells with Mindgame cannot target or affect it.

Healing-type Spells of the Divine Element do not restore any HP but instead, deal 15 PW damage to it. If this model's HP reaches 0, it becomes Dead.

**Undead I.** This model is immune to Poison, Bleeding, Panicked and other biological States. It cannot Regenerate HP naturally.
